

CenTrak Exchange 2026 – High-Level Overview

Monday, October 5 – Thursday, October 8 | Salt Lake City, Utah

CenTrak Exchange brings together customers, partners, and industry leaders for learning, collaboration, and innovation. Through expert-led sessions, real-world case studies, and interactive discussions, attendees will gain the insights and connections needed to drive meaningful outcomes. All meals are included.

Featured Session Highlights

Strategy, Vision & Market Direction

Align on CenTrak's long-term vision, growth strategy, and market positioning. Hear from executive leadership on where we're headed and how innovation and partnerships are shaping the future.

Industry Trends & Market Forces

Explore the key trends driving healthcare technology adoption, with insights from industry analysts and experts to help you stay ahead in a rapidly evolving landscape.

Product Innovation & Roadmap

Get an exclusive look at what's next. Discover upcoming enhancements, explore new capabilities, and provide direct feedback to help shape the future of the platform.

AI, BLE & Platform Foundations

Dive into the technologies powering CenTrak, including how AI and BLE work together to enable smarter workflows, better outcomes, and scalable deployments.

Integrations & the Smart Hospital Ecosystem

See how CenTrak connects across the healthcare ecosystem through scalable, standardized integrations that enhance interoperability and long-term value.

Customer & Partner Voice

Participate in dedicated feedback sessions designed to capture real-world insights, validate product direction, and ensure our roadmap reflects your needs.

Best Practices & Real-World Success

Learn from customers and partners who are driving impact today. Hear proven strategies, lessons learned, and practical guidance you can apply immediately.

ROI, Value & Business Outcomes

Understand how to define, measure, and communicate value across use cases, helping you build stronger business cases and demonstrate long-term impact.

Migration & Modernization Pathways

Gain clarity on transitioning from legacy systems to modern platforms, with guidance on minimizing risk and maximizing adoption.

Partner Enablement

For partners, targeted sessions designed to strengthen positioning, communicate value effectively, and support successful customer outcomes and growth.

Networking & Executive Engagement

Connect with peers, partners, and CenTrak leadership through structured networking, collaborative sessions, and exclusive executive access.
