

# Connect<sup>RT</sup> – a new era of efficiency & performance

Welcome to CenTrak's scalable, cloud-based RTLS software platform

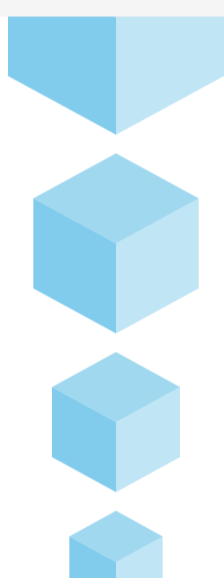

## Get where you're going

The unified dashboard acts as a centralized hub for all your apps and resources.

## Endless scalability

Effortlessly grow your RTLS solutions across the health system.

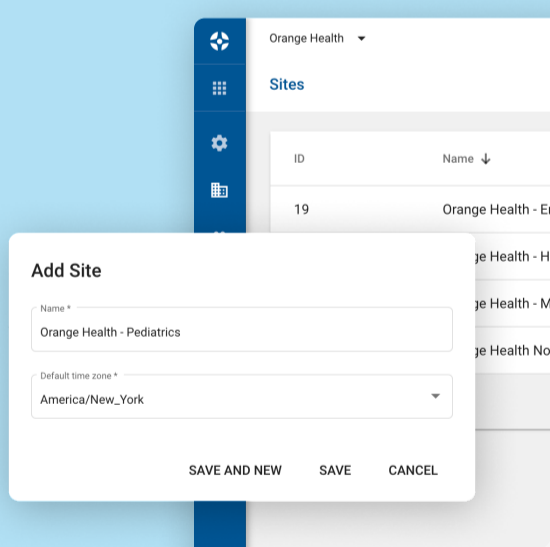

## Always up to date

Automatic and proactive updates for all applications on the platform.

## Streamlined setup

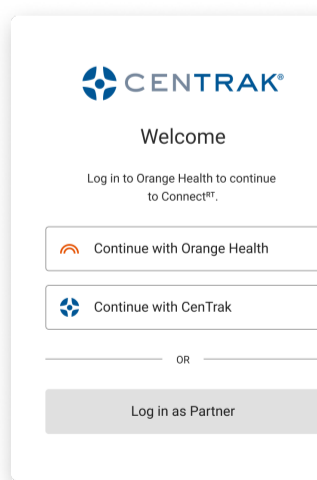

Manage essential configurations across the platform in one space.

Built on the robust, secure, and reliable foundation of Amazon Web Services (AWS).

## Single sign-on

Connect once, access everywhere. Smooth, secure, and simplified.

## Alleviate IT burden

Reduced server infrastructure eases cost and maintenance.

## Muscle memory

All apps share a consistent interface for intuitive interactions.
